

## **Job Title: Middle School Science Teacher/ Math Facilitator**

Grace Christian School, located in Inverness, FL, is the school ministry of First Baptist Church of Inverness. It is a brand-new school, opening its doors for the 2024-2025 school year exclusively as a middle school. Grades will be added each year, eventually including a full high school and possible elementary school. GCS exists to provide a Christ-centered, transformational education that equips and inspires each student to impact God's Kingdom and their generation with the Gospel of Jesus Christ. We purpose to develop leaders who desire to glorify God in everything they do.

### **Responsibilities:**

- Engage small classes (maximum of 3) in active participation and learning by employing a variety of instructional methods that will provide for creative teaching to reach the whole child: spiritually, mentally, physically, socially, and emotionally. GCS uses Charlotte Mason methods primarily.
- Design year-long scope and sequence for the science subject. All classes will learn the same topics, just assessed and presented at different grade-level understanding. One unit of study will be presented to all classes!
- As math facilitator, this individual will help students when requested. An online curriculum is used for individual pacing. The facilitator is present to help students as needed and is also responsible for tracking grades and progress for each student in the online platform.
- Assess the learning of students on a regular basis and enter grades weekly into the SMS.
- Maintain proper discipline in the classroom and on the school premises while also demonstrating the character qualities of enthusiasm, courtesy, flexibility, integrity, and kindness to both students and other GCS and FBC personnel.
- Supervise students during their lunch time.
- Develop and maintain rapport with parents to communicate both areas of concern and good reports.

### **Requirements/ Qualifications:**

- Bachelor's degree (in science or education preferred)
- Preference will be given to those with 2+ years of experience in the classroom and those who hold certification with a Christian accrediting board or FL State certification.
- Passionate about the subject of science as it mirrors God's creative and omnipotent personality
- Ability to teach science from a Biblical worldview is essential for this position.
- An understanding and love for students as image-bearers of God, and thus, a commitment to Christian discipleship
- A growth mindset and continuance of their own learning, especially in biblical and content-area knowledge
- Must agree fully with the Baptist Faith and Message, our Statement of Faith

**This position's start date will be in early August. A cover letter, resume, and written testimony should be submitted to Mrs. Becca Wylupek at [gcs.admin@fbcinverness.com](mailto:gcs.admin@fbcinverness.com).**
